## ABOUT THE YEARBOOK

The Yearbook of American & Canadian Churches has served as the definitive handbook of North American denominations since 1916. Over our 100 year history, The Yearbook has remained an authoritative source for the most accurate and complete compilation of statistical data for North American religious bodies. Now an interactive online application, The Yearbook continues to catalog census information for \*\*\* denominational religious bodies. As of 2020, the Yearbook represents \*\*\*,\*\*\* faithful members, \*\*\*,\*\*\* clergy, \*\*\*,\*\*\* congregations, \*\*,\*\*\* educational bodies, and more than \$\*\*\*,\*\*\*,\*\*\*,\*\*\*.\*\* in total financial commitment.

Each listing contains a brief paragraph about the religious body, contact information for the group, and informative graphs detailing current and historical statistical data. Previously stewarded by the National Council of Churches, The Yearbook is overseen by the Association of Statisticians of American Religious Bodies (ASARB). in partnership with The National Council of Churches and Lake Institute on Faith and Giving. We invite you to join our effort by adding data for your religious group, becoming an ASARB member or making a contribution to our cause.

The National Bible Association is an autonomous, nonpolitical interfaith organization of lay people who advocate regular Bible reading and sponsors National Bible Week (Thanksgiving week) each November. Program activities include public service advertising, distribution of nonsectarian literature and thousands of local Bible Week observances by secular and religious organizations. The Association also urges constitutionally acceptable use of the Bible in public school classrooms, i.e. the study of the Bible in literature. All support comes from individuals, corporations and foundations. Founded in 1940 by a group of business and professional people, the Association has the IRS nonprofit status of a 501(c)(3) educational association.
