## ABOUT THE YEARBOOK

The Yearbook of American & Canadian Churches has served as the definitive handbook of North American denominations since 1916. Over our 100 year history, The Yearbook has remained an authoritative source for the most accurate and complete compilation of statistical data for North American religious bodies. Now an interactive online application, The Yearbook continues to catalog census information for \*\*\* denominational religious bodies. As of 2020, the Yearbook represents \*\*\*,\*\*\* faithful members, \*\*\*,\*\*\* clergy, \*\*\*,\*\*\* congregations, \*\*,\*\*\* educational bodies, and more than \$\*\*\*,\*\*\*,\*\*\*,\*\*\*.\*\* in total financial commitment.

Each listing contains a brief paragraph about the religious body, contact information for the group, and informative graphs detailing current and historical statistical data. Previously stewarded by the National Council of Churches, The Yearbook is overseen by the Association of Statisticians of American Religious Bodies (ASARB). in partnership with The National Council of Churches and Lake Institute on Faith and Giving. We invite you to join our effort by adding data for your religious group, becoming an ASARB member or making a contribution to our cause.

After nearly 200 years of ongoing ministry, American Bible Society continues to invite people to experience the life-changing message of the Bible. Offering an increasing range of innovative ministries to address core life questions and struggles, the Bible Society works alongside ministry partners, Christian churches and national Bible Societies to share God's Word both in the United States and around the globe.

American Bible Society played a leading role in the founding of the United Bible Societies, a federation of 147 national Bible Societies around the world that enables global cooperation in Scripture translation, publication and distribution in more than 200 countries and territories. The Bible Society contributes generously to the support provided by the United Bible Societies to those national Bible Societies that request support to meet the total Scripture needs of people in their countries.

The work of American Bible Society is supported through gifts from individuals, local churches, denominations and foundations.
