## ABOUT THE YEARBOOK

The Yearbook of American & Canadian Churches has served as the definitive handbook of North American denominations since 1916. Over our 100 year history, The Yearbook has remained an authoritative source for the most accurate and complete compilation of statistical data for North American religious bodies. Now an interactive online application, The Yearbook continues to catalog census information for \*\*\* denominational religious bodies. As of 2020, the Yearbook represents \*\*\*,\*\*\* faithful members, \*\*\*,\*\*\* clergy, \*\*\*,\*\*\* congregations, \*\*,\*\*\* educational bodies, and more than \$\*\*\*,\*\*\*,\*\*\*,\*\*\*.\*\* in total financial commitment.

Each listing contains a brief paragraph about the religious body, contact information for the group, and informative graphs detailing current and historical statistical data. Previously stewarded by the National Council of Churches, The Yearbook is overseen by the Association of Statisticians of American Religious Bodies (ASARB). in partnership with The National Council of Churches and Lake Institute on Faith and Giving. We invite you to join our effort by adding data for your religious group, becoming an ASARB member or making a contribution to our cause.

Mennonite Central Committee Canada was organized in 1964 to continue the work which several regional Canadian inter-Mennonite agencies had been doing in relief, service, immigration and peace. All but a few of the smaller Mennonite groups in Canada belong to MCC Canada.

MCCC is part of the Mennonite Central Committee (MCC) International which has its headquarters in Akron, Pa. from where most of the overseas development and relief projects are administered. In 2000-2001 MCCC's income was \$25 million, about 47 percent of the total MCC income. There were 408 Canadians out of a total of 867 MCC workers serving in North America and abroad during the same time period.

The MCC office in Winnipeg administers projects located in Canada. Domestic programs of Voluntary Service, Native Concerns, Peace and Social Concerns, Food Program, Employment Concerns, Ottawa Office, Victim-Offender Ministries, Mental Health and Immigration are all part of MCC's Canadian ministry. Whenever it undertakes a project, MCCC attempts to relate to the church or churches in the area.
