ABOUT THE YEARBOOK

The Yearbook of American & Canadian Churches has served as the definitive handbook of North American denominations since 1916. Over our 100 year history, The Yearbook has remained an authoritative source for the most accurate and complete compilation of statistical data for North American religious bodies. Now an interactive online application, The Yearbook continues to catalog census information for *** denominational religious bodies. As of 2020, the Yearbook represents ***,*** faithful members, ***,*** clergy, ***,*** congregations, **,*** educational bodies, and more than \$***,***,***,***.** in total financial commitment.

Each listing contains a brief paragraph about the religious body, contact information for the group, and informative graphs detailing current and historical statistical data. Previously stewarded by the National Council of Churches, The Yearbook is overseen by the Association of Statisticians of American Religious Bodies (ASARB). in partnership with The National Council of Churches and Lake Institute on Faith and Giving. We invite you to join our effort by adding data for your religious group, becoming an ASARB member or making a contribution to our cause.

RACHEL SCHRADER

World Vision Canada is a Christian humanitarian relief and development organization. Although its main international commitment is to translate child sponsorship into holistic, sustainable community development, World Vision also allocates resources to help Canada's poor and complement the mission of the church.

World Vision's Reception Centre assists government-sponsored refugees entering Canada. The NeighbourLink program mobilizes church volunteers to respond locally to people's needs. A quarterly publication, Context, provides data on the Canadian family to help churches effectively reach their communities. The development education program provides resources on development issues. During the annual 30-Hour Famine, people fast for 30 hours while discussing poverty and raising funds to support aid programs.
