ABOUT THE YEARBOOK

The Yearbook of American & Canadian Churches has served as the definitive handbook of North American denominations since 1916. Over our 100 year history, The Yearbook has remained an authoritative source for the most accurate and complete compilation of statistical data for North American religious bodies. Now an interactive online application, The Yearbook continues to catalog census information for *** denominational religious bodies. As of 2020, the Yearbook represents ***,*** faithful members, ***,*** clergy, ***,*** congregations, **,*** educational bodies, and more than \$***,***,***,***.** in total financial commitment.

Each listing contains a brief paragraph about the religious body, contact information for the group, and informative graphs detailing current and historical statistical data. Previously stewarded by the National Council of Churches, The Yearbook is overseen by the Association of Statisticians of American Religious Bodies (ASARB). in partnership with The National Council of Churches and Lake Institute on Faith and Giving. We invite you to join our effort by adding data for your religious group, becoming an ASARB member or making a contribution to our cause.

The Apostolic Catholic Church, rooted in the New Testament, affirms the empowerment and the dignity of the poor, the needy and the oppressed by adopting a preferential option for those who are disenfranchised and marginalized in this society. Apostolic Catholicism is radically committed to the unconditional acceptance of all who are in need.

The Christian Church was established by the Lord Jesus Christ and His Holy Apostles in Jerusalem in 33 A.D. From Jerusalem, the Church spread to other centers of the known world, including Constantinople (founded in 37 A.D.) and Kiev (45 AD.), founded by St. Andrew the First-Called Holy Apostle. In 864, missionary of the Church of Constantinople further extended the Orthodox Christian Faith in present-day Russia. In 988, Rus' Prince Vladimir converted and declared Orthodoxy the State religion, while hundreds of thousands were baptized in the Dnieper River at Kiev.

The Reformed Catholic Church was founded in 1988, and incorporated in 1989, as an alternative to the structures and strictures of the Roman Catholic Church, yet without denying basic catholic beliefs of faith and love, spirituality and community, prayer and sacramentality. The Reformed Catholic Church is a federation of independent churches offering a progressive alternative in the Catholic tradition. It is a newly formed rite, as in the tradition of the Orthodox churches of the Catholic tradition and the Old Catholic Church of Utrecht.

Founded as a reorganization of the Dutch Old Catholic Church in 1915-16. In 1941 a controversy broke out in the Church regarding whether or not certain teachings of Theosophy (reincarnation, etc.) were to become official teachings of the Church. The Liberal Catholic Church International split in 2007 into two bodies, The Liberal Catholic Church and the Universal Catholic Church.
